The Royal Equestrian Spanish Federation is proud to present to you the team representing Spain for the European Endurance Championship Juniors & Young Riders at Parco di Pontoncello, Verona, Italia.

The selection of these horses and riders started after long and intensive selection trials at Badajoz, Bâscara, Sant Feliu and other important rides from our extensive FEI competition calendar, including several top races that have been progressing since the old Endurance times, over 50 years ago. Our top riders will try to measure themselves against the top of Europe, representing not only Spain, but the tradition of a country where Endurance has been a part of life for centuries connected to the ancient tradition of breeding brave animals. In the last years, Spain achieved a top level that we are very proud of.

We wish everybody to have a good time and a safe competition with the help and respect to our horses.
