The Royal Equestrian Spanish Federation is proud to present to you the team representing Spain for the FEI European Endurance Championship 2021, Ermelo - Holland.

These top riders will try to revalidate the good results obtained since many years and keep looking forward for the top positions, against the great riders and horses coming from all over the world. They will be representing not only Spain, but the tradition of a country where endurance has been a part of life for centuries connected to the ancient traditions of breeding brave animals. In the last years, Spain achieved a top level that we are very proud. We wish to keep displaying it to the rest of the world and help to promote the excellency and positiveness of the Endurance Riding. Also the high quality care that all of us devote to our equine companions.

We wish everybody to have a good time and a safe competition with the help and respect to the horses.
